SHARIF JOURNAL OF SCIENCE AND TECHNOLOGY
EDITOR-IN-CHIEF: ABOLHASSAN VAFAI

This Journal is published under the auspices of Sharif University of technology, Office
of the Vice-Chancellor-In-Charge of Research.

The Journal is published quarterly in Farsi language, aims at establishing a relationship
between scientists active in different branches of science and technology and, in
particular, at providing a forum for exchange of knowledge between scientists and
technologists related to scientific problems prevailing in contemporary society. The
journal also strives to present practical and theoretical analyses of these issues and
facilitates the circulation of modern scientific findings by scientists and researchers for
practical application. In addition, "Sharif" publishes papers focusing on issues of
specific concern to universities, including research, technological advancements, and
topics related to matters of higher education.
